Mighty Five Too Fast for New London Manual Training -Montville Wrestling a Draw-Jeff-Johnson Fight Promoters in Hot Dispute.

The Mighty Five won a rather easy Allen. This was also a draw, as neither could put the other fellow's shoulders to the mat for a fall. Saturday evening over the basketball

sturday evening over the basketball five from the New London Manual Training school, defeating them 24 to 18. In the first half the Norwich boys played rings around their heavier opponents from New London, finishing in the lead, 14 to 3, at the end of the first period.

Manual Training's basket shooters were blocked up so tight by the M. P's in the first balf that they failed to cage a single basket from the field, their tally of three points beling recorded on free throws by Fitzpatrick. In the second half they developed a better passing game, which resulted in ringing in six shots from the melee.

Rankin, whose all-around play was a feature, started the scoring by taking a nice pass from Gallivan and shooting the first basket. A couple of baskets by Tuttle from free tries, a field goal on a long distance shot by Gallivan and another foul goal by Tuttle for for Manual Training on a free try. In his eagerness after the ball in the next scuffle Fitzpatrick ascended Gallivan's back, but came off with a rattle of bones that shook the gym when Jackie gave him the toss. Fitz evened up the wrestling score a few minutes later when he found Jack on the floor and put a knee into his chest to make sure he would stay there. Several foul goals by Tuttle and field goals by Donohue and Rankin completed the Mighty Five's score in this half.

WRESTLING MATCH A DRAW. Kid Wilkerson and Kid Wilbur Go for

Neither wrestier could get a fall at Montville in Robertson's hall Saturday night in the bout between Kid Wilbur of Montville and Kid Wilkerson of Lowell, Mass., and the match was declared a draw by mutual consent after an hour of fast grappling. Wilkerson, who has been tutored by Bill Collins of Central Village, was to weigh in at 120 pounds. He went this four pounds better, as he tipped the beam at 116. Wilbur's weight was about 110.

On account of the snow there was not a large house, but a good bout was seen, both men working fast and cleverly. George Wood was referee.

on Thursday, June 30, which is eight days after the Yale commencement has been held and the commencement crowd

It is now admitted at Yale that the strength of the Yale wish for June 25 as the regatta date is lessened by the discovery that the tides are unfavorable for accommodating the crowds. Because of this fact it is not thought that Yale will stand out for the date proposed, but will accept a date the following week, perhaps June 27 or 28.

As the third and deciding Yale-Harvard baseball game is scheduled for June 25 in New York city, the Yale commencement crowd will have to return from New York to New London for the boat race or miss it.

SATURDAY MARKETS. Stock Prices Went Up Briskly on Heavy Buying.

New York, Jan. 15—11 a. m.—Opening prices were the lowest made in the important stocks, the market thereafter going up briskly on heavy buying for both accounts. Many of the standard stocks made over-night gains of a point, and the list in general ruled fractionally above yesterday's closing. Westinghouse Electric broke 4 1-4, but recovered half of its loss.

Close.—The market closed active and strong. Active selling was resumed. Close.—The market closed active and strong. Active selling was resumed, which was particularly effective in Union Pacific and United States Steel, the latter breaking to 84 1-5. When prices had been driven down to about the low figures current at the opening supporting orders were distributed and the decline was checked. Prices then started upward with a rush to the top level of the day. St. Paul, Southern Pacific, Amalgamated Copper and Resding sold two points over yesterday's, and the majority of other stocks a point or more.

PROMOTERS SQUABBLE. STATE LEAGUE LIKELY. Rickard Wants to See Some of Gleas-Norwich Certainly Wants a Team in

Regarding the proposed new state league in Connecticut, "Tiro" Murnane of the Boston Globe has the following "Connecticut will more than likely have a new state league, with a \$600 limit and with a circuit made up of New London, Norwich, Williamstic, Rockville, Manchester, Danbury, Meriden and Bristol."

On Mr. Murnane's statement which

On Mr. Murnane's statement, which

"Mr. Murnane evidently is not familar Murane evidently is not familiar with the baseball situation in this ricinity. Baseball in nearly all of the before named cities has proved a failure, for past performances have showed that these cities will not support even a fair salaried team, especially if he home team is not close to the top of standing." This would indicate that there is not the reputed interest in New London that Charles Humphrey would have the outsiders think. However that may be, Humphrey considers there is enough interest to warrant a team there the

interest to warrant a team there the coming summer.

In only four of these places has there been league ball introduced, and in those places when they had league teams there seemed to be no limit to the salaries, and for that reason they could not support a team against cities where it made no difference what the salary limit was, as long as there was a winning team. Teams costing \$1,300 to \$1,800 a month cannot be supported in the proposed circuit, but it is believed that league teams in the places mentioned could be maintained with a salary limit from \$600 to \$900 a month, and it is along that line that the proposed league is being talked. There are plenty of good ball players to be had at salaries which \$900 a month would give to a team of twelve, and it would prove a league for developing players for the Connecticut or other similar leagues. Norwich is interested to the content of the leagues.

Brown and Kingsley the Real Rivals.

There was "some match" pulled off Saturday night at the Rose alleys between teams composed of postoffice employes, one captained by Murtha and the other by Hinchey. Murtha had Case, O'Sullivan and Brown as his teammates, and Hinchey had O'Neil, Counifhan and Kingsley. The match was about even up to the fifth and last gome, when Murtha's team grabbed the big end, which gave them the match. There was all kinds of excitement during the match, furnished mostly by Kingsley and Brown, who were out to beat each other in total pinfail, Brown won by a small margin, Kingsley giving as his excuse for the trimming that he was not his best form. Brown told "Speed" to hide the "noise," that he beat him on the level.

O'Neil was in good form, copping the high single with 94. O'Sullivan and Counihan were close up on him. Case was the hit of the evening, getting three strikes during the match. On one he only got on lone pin, which brought out a big laugh from the bunch, but it didn't fease Case a little bit. Next Saturday night the Lefts and Rights come together for the first games of their new series for the championship of the postoffice employes.

Rickard issued a flat statement last, night that the fight would take -lace in Salt Lake City or its immediate vicinity. In response Gleason said just as positively that Jeffries and Johnson would meet in San Francisco or nearby.

Rickard in his statement charges that Gleason has not advanced one cent in the transaction so far.

Of the \$101,000 guarantee, only \$20.000 has been posted. Rickard asserts that Gleason did not put up a cent of this forfeit, and, hence, cannot assume to dictate. Gleason declared that Rickard could not have become a partner in the enterprise if it had not been for Gleason's influence with Sam Berger and Jim Jeffries.
